Prescription For Stomach Digests Any Menl in Five Minutes. (Medical News.)

This simple but powerful prescription will enable those with "finicky" stomachs to cat what they please, when and where they please, without any distressing after effects. Says a noted distressing after effects. Says a noted medical man: Always prescribe the following for indigestion, acute or chronic dyspepsia, sour stomach, constipation, depression, languor, blues, wind and gas on stomach and bowels, heart palpitation and billousness. The results are prompt and lasting from these harmless but powerfully blended essences. Take a six-ounce bottle and get two ounces sprup of ginger, one ounce compound essence cardiol, and two oinces of essence of pepsia. Mix and shake well: then take one or two icaspoonfuls after each meal. One spoonful before cating will give a good appetite. One or two at retiring will releve constipation. Give it to chitten who have stomachache, bad breath or bowel trouble. It may be taken or howel trouble. It may be taken freely, being entirely harmless.

The most exquisite cleanliness is necessary in the care of bottles and other utensils used in the preparation of a baby's food.

For this purpose, there is nothing quite so good as Ivory Soap.

Dissolve a few shavings of Ivory Soap in a quart of hot water. Rinse the bottles with cold water, wash them inside and out in the Ivory Soap suds and then scald with boiling water.

Always Tired

When your nervous and physical systems are tired out-worn out-they need something more than food, to revive them.

They need medicines -- concentrated products of nature, that act as nature planned they should do, in helping along the functions of life, when ordinary methods fail.

When it's a woman-Cardui.

We know what Cardui will do, for tired, wornout, sick, miserable women.

We know what it has done, for thousands of women in distress, and what it has done for others, it will surely do for you.

The Woman's Tonic

Mrs. Margaret L. Pheral, of Newburg, Ind., writes: "I had sick headache, continuous hurting in my right side, was always tired and every month had such bearing-down pains, I could hardly stand. At last I took Cardui. and it worked wonders. Now I feel better than in two years, and owe it all to Cardui."

Try Cardui. It will help you.

Pinn of Road Education.

President Withers reported that the executive committee had formulated a plan whereby the vice-presidents of the State association should organize good roads bodies in their various counties and towns, and immediately start a campaign of education. He said that if any of the officers experienced any difficulty in getting the people interested in the movement they should at once report to Vice-President Lassiter, and that he, in conjunction with Secretary H. L. Harwood and the newspapers, would begin a campaign to arouse the interest of the people of that section.

After passing a resolution thanking the management of the Jefferson Hotel for the use of the auditorium, the convention adjourned.
